

## BLANCETT ARREST HANGS GOV. LARRAZOLO

**Petition for 90-Day Reprieve  
Denied by New Mexican  
Governor — Condemned  
Was Found Guilty of  
Murder of Clyde Armour  
In 1916**

[Republican A. P. Leased Wire]  
SANTA FE, N. M., July 8.—Elbert W. Blanchett's long fight for his life, in which he was aided by the pleas of his mother, ended in failure today when Governor Larrazolo refused his attorney's petition for a 90-day reprieve. Blanchett will be hanged at sunrise tomorrow morning in the Santa Fe jail yard for the murder of Clyde Armour of Sioux City, Iowa.

Blanchett's attorney sought the reprieve to permit time for further investigation of the condemned man's sanity. Prisoners to Pay Funeral Expenses. The funeral expenses will be paid by his fellow prisoners, who have taken up a collection of nickels and dimes for that purpose. His mother, Mrs. Baker of Friday Harbor, Washington, who has visited the prisoner but for the past two weeks, will remain in the city during the execution and until after the funeral.

On the eve of his execution, the prisoner showed no emotion whatever. The crime for which Albert W. Blanchett was convicted was the murder of Clyde D. Armour, near Glorieta, N. M., about 30 miles east of here, October 23, 1916.

Armour, who lived at Sioux City, Iowa, where he was employed as chief clerk in the passenger office of the Northwestern Railway company, left his home September 23, 1916, accompanied by his mother and sister, en route to California in a new eight-cylinder automobile. On arriving at Glorieta, Nebraska, the sister was taken ill and when recovered sufficiently to travel, she and her mother proceeded to their destination, Fresno, Calif., by train. Clyde Armour continued the trip by auto. He arrived in Denver, October 13.

He asked the Y. M. C. A. at Denver to find a companion to start out to travel by auto to the coast. The "Y" being unable to find such a man, Armour inserted a want ad in one of the Denver papers, which was answered by Blanchett, an agreement was reached and they started westward.

Armour never reached Santa Fe, but a man representing himself to be Armour arrived here October 23, after entering at a local hotel. When he did so he committed the first indiscretion which led to his arrest later on, as when he started to write "C. D. Armour" the first letter he made was "E." This he changed, making a "C" over the letter "E" which he had first written. He remained here until October 27, going then to Albuquerque, where he sold the automobile for \$500. The night of October 30 he boarded a train at Albuquerque and evidently went straight through to Santa Fe.

**Telegram — Mother Forged**  
By November 13 Mrs. Armour, who, with her daughter, had reached Fresno, became so alarmed over the failure of her son to arrive that she wrote a telegram to her son-in-law, Myron T. Sawyer, went to Needles, Calif., from which point Mrs. Armour had received a message, purporting to be from her son, to the effect that he had sold the car and would continue his trip to Fresno by train. Inspecting the original of this telegram, Mr. Sawyer went to San Diego and Los Angeles and finally came on to Albuquerque and Santa Fe.

About this time, Armour's two brothers arrived here from Sioux City to take charge of the search. They learned that the man who posed as Armour, during some of his conversations, had said that he once lived near Aztec, San Juan county, and mentioned the name of his mother, who had remarried following the death of her first husband, Wash, December 31, 1916, the family having moved there from New Mexico.

After Blanchett was arrested he requested permission to start out a cook shack to "say good-bye" to somebody. A moment later there was a report of a gun shot from the interior of the shack. Investigation showed that Blanchett had fired a shot into his neck. When asked why, he replied: "I couldn't tell mother here."

Armour's body was not found until July 14 when a dog belonging to Antonio Sandoval, a Gringo, walked into the house carrying a shoe of a human leg bone, on which a shoe still remained. Antonio followed the dog on the back trail and found the bones that remained of Armour's body, in an arroyo 300 yards from the main road. About 20 feet away from the skeleton lay a shot gun and some clothing. Marks on the clothing and papers in the pockets served to indicate that the clothes were Armour's. At an autopsy held later on six shots were taken from the base of the skull, indicating that the fatal shot was fired from behind, severing arteries and inflicting a wound from which the victim quickly bled to death.

**Claimed Shooting Accidental**  
Blanchett was placed on trial in the Santa Fe county district court April 19, 1917. The jury returned a verdict of guilty of murder in the first degree, April 24. Blanchett, when placed on the witness stand, admitted shooting Armour but said it was an accident. He said they got out of the car to hunt

**Goes Back to Nature for  
Single Day and Entertains

Fashioned Camp Dinner  
—Organize A "Pasture  
Club"**

[Republican A. P. Leased Wire]  
DAYTON, Ohio, July 8.—Putting aside cares of being a presidential candidate, Governor James M. Cox, Democratic nominee for president, spent this afternoon on a farm, his boyhood home, 36 miles from Dayton. Newspaper men who trailed the governor, found him with his coat off, roasting potatoes and broiling lamb chops over a camp fire in a small ravine some distance from the old homestead. His farm manager was with him.

Taking the intrusion of the newspaper men good naturedly, he invited them to share the luncheon he was preparing. Finding it would take many potatoes, chops and sandwiches than he had, he dispatched one of his men to Middletown for more. Luncheon finally was served late in the afternoon.

**Tells of Boyhood On Farm**  
While the potatoes were roasting and chops burning, the governor answered questions concerning his boyhood, which he spent on the farm. He also discussed many phases of farming.

While sitting in the shade of a large willow tree, one of his thoroughbred cows came wandering up to have a look at the Democratic candidate. The governor said she is milked three times a day and gives two gallons at each milking.

At the governor's suggestion, the "pasture club" was formed, having for its membership the Democratic candidate and the score of news writers and camera men. Miss Marjorie Wilson of Cleveland, the only woman reporter in the company, was unanimously elected president after being placed in nomination by the governor.

Since he acquired the old Cox homestead two years ago Governor Cox is fast transforming it into a model farm. He has a large number of thoroughbred cows and a fine stock of horses. He also has a fine collection of birds and a large number of deer. He has a fine collection of birds and a large number of deer. He has a fine collection of birds and a large number of deer.

**May State Stand On Liquor Question**

Volstead act as to alcoholic content of liquors.

It was also intimated by the governor that he may go to Washington soon for a conference with President Wilson. Telephone conversations between Secretary Tumulty and the governor have been held during the past few days, it was said.

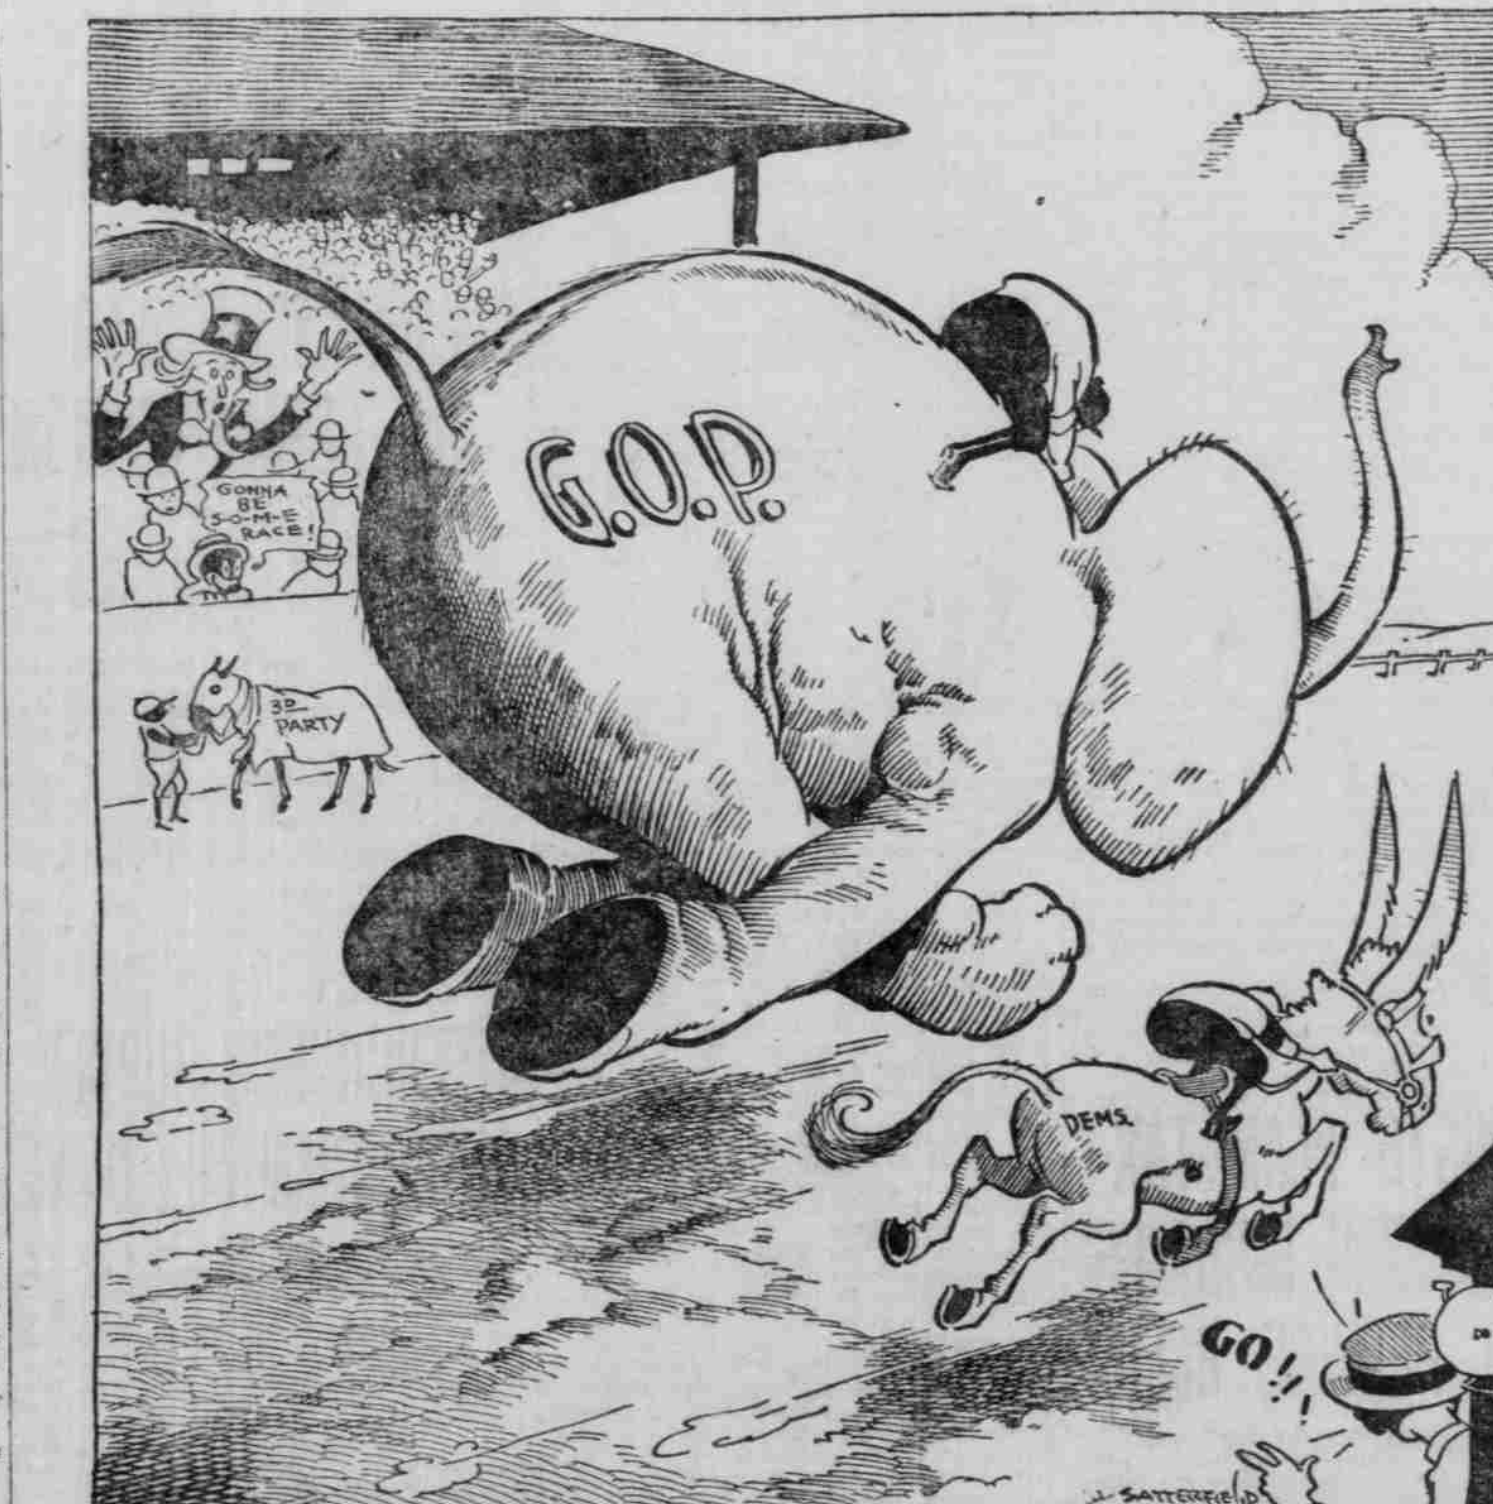

**Palmer Campaign  
TO BE PROBED BY  
SENATE COMMITTEE**

[Republican A. P. Leased Wire]  
CHICAGO, July 8.—The senate committee investigating the pre-convention expenditures of candidates left here tonight for St. Louis, where it will resume its hearings tomorrow.

Expenditures in behalf of Attorney General A. Mitchell Palmer, who was a candidate for the Democratic nomination for president, are scheduled for investigation at tomorrow's session and nearly a score of witnesses, including Edward G. Coltra, Democratic national committeeman, and Joseph T. Davis of St. Louis, have been subpoenaed. Reports that Coltra paid \$2,000 to delegates for expenses to the state convention would begin its inquiry into Mr. Palmer's campaign regardless of whether Coltra and Davis are present.

The committee today finished its hearings in Chicago with the testimony of Henry Lincoln Johnson, Georgia negro alleged to have received \$9,000 from Lowndes, who Governor Wood spent more money than Governor Lowndes in Georgia and that Democrats spent more than both of the Republicans.

## THEY'RE OFF

## LA FOLLETTE ISM BLOCKS HARMONY IN THIRD PARTY

[Republican A. P. Leased Wire]  
CHICAGO, July 8.—Plans of a group of liberal and radical organizations for one united third party, with candidates for president and vice-president in the field, received a set back today when single tax party members announced they would not support Senator Robert M. La Follette, who is expected to be the choice of the other groups.

The single taxers, who arrived today to prepare for their convention which opens Saturday, declared they would bolt the combine and nominate a separate ticket if the majority chose La Follette.

While the single taxers were threatening to present their own ticket, Amos Pinchot and George L. Record of the Committee of 48 were in Madison, Wis., today conferring with La Follette, who has received a majority of a mail straw vote of the party.

The Committee of 48 and single tax convention open Saturday and on Sunday the labor party of the United States, another prospective member of the third party combination, meets here.

The national Non-Partisan League, triple alliance of the northwest, National People's League of Minnesota, World War Veterans, and National Public Ownership league have been invited to send fraternal delegates.

J. C. Reis, single tax committeeman from Pennsylvania, announced today that the single taxers would accept the committee of 48 invitation to attend the third party convention, but would leave if they were unable to prevent La Follette's selection as standard bearer.

**ADVANCE ROBBERY  
PLOT THEORY AS  
SHOOTING CAUSE**

[Republican A. P. Leased Wire]  
CHICAGO, July 8.—A robbery plot in connection with the shooting of the wife of Lieut. Carl Wanderer and a strike against the venture of the Wanderer home on the night of June 21, was a new theory advanced by police tonight following their interrogation today of the lieutenant. They declared they had discovered that Mrs. Wanderer had withdrawn \$1500 from a bank only two days previous to the shooting. The money, they added, was later found in the Wanderer home.

Police officials said that Wanderer had told them that he had planned to re-enter the army, and Police Sergeant John Norton, in the vicinity of the Wanderer home, on the theory that the lieutenant might have decided to frame up a robbery of his wife and get the money. The police official said that it is possible the stranger had been employed by Wanderer to commit the robbery and then in the darkened vestibule he fired by mistake. Then after he shot Mrs. Wanderer her husband was forced to shoot him to cover up the conspiracy.

In another statement today Wanderer, according to the police, admitted that both guns used in the shooting were his property.

**UMPIRES ROBBED**  
NEW YORK, July 8.—Thieves broke into a dressing room at the Polo Grounds today during the game between the Yankees and the Tigers and stole the street clothes and personal effects of Umpires "Doc" Hildebrand and Billy Evans. They obtained \$300 in money and several pieces of jewelry. A crowbar was used to gain entrance to the room.

**ANTI-SEMIENOFF REVOLT**

## Poland Appeals For Volunteer U. S. Aviators

[Republican A. P. Leased Wire]  
NEW YORK, July 8.—An appeal for 12 American aviators to give their services at once to the Polish republic was received by the American flying club here today, simultaneously with the receipt of cable dispatches telling of serious defeats inflicted upon the Poles by the bolshevik armies.

These air men, the message said, are needed for the Kosciuszko squadron, composed of American flyers, and volunteers must have sufficient means to pay their transportation and to accept the Polish pay of 2000 marks. Scout pilots are preferred, and the rank of lieutenants.

## NO COAL SHORTAGE; NONE EXPECTED, SAYS WHOLESALE DIRECTOR

[Republican A. P. Leased Wire]  
WASHINGTON, July 8.—Assurance of an adequate supply of coal to meet all domestic requirements during the coming months was given today by George H. Cushing, managing director of the American Wholesale Coal association, who declared in a statement that reports of an impending coal shortage were unfounded. The public, he said, is panic stricken without reason or excuse.

"There is no shortage of coal," Mr. Cushing stated. "There is no danger of any such shortage. Therefore, there is a reason, but no excuse, for the current high prices in the open market. The reason is that we have had too much governmental agitation of the danger of a famine."

Mr. Cushing declared that for the past eight months "there has not been a day or even an hour when some governmental agency was not agitating about coal and predicting a coal famine." Prices, he said, have reached the highest peace time level in history because those who need coal are frantically bidding against each other in every market.

Declaring that he had investigated nearly every alarmist report, Mr. Cushing asserted that "not one of them will stand scrutiny or analysis." He predicted that the consumption of bituminous coal during the "coal year" beginning last April 1 would not exceed 135,000,000 tons—10,238,000 tons a week.

"The present assumption," Mr. Cushing continued, "that we are reaching this average weekly consumption in the early weeks of the coal year, we are rushing headlong into a shortage of coal. That has not been true in 25 years. It is not true this year. The records of the coal trade are that with the exception of 1917 and 1918—war years—we never reached in production about equal to the required weekly average production until the middle of August. This year we reached it in the second week of June. Thus our production is eight weeks ahead of schedule. That doesn't look like an 'impending famine.'"

## VERMONT GOVERNOR HOME FROM CONFAB

RUTLAND, Vt., July 8.—Governor Clement, returning home here today for the first time since his conference in Washington with Senator Harding regarding a special session of the Vermont legislature to make possible ratification of the woman suffrage amendment, said he was still undecided as to a special session.

"That Washington matter was given altogether too much publicity," he added.

## UNITE SUPPORT OF PROGRESSIVES ASSURED HARDING

[Republican A. P. Leased Wire]  
MARION, Ohio, July 8.—Assurances that the national Republican ticket would have the united support of progressive leaders in the 1920 campaign were given to Senator Harding, the Republican presidential nominee, today by Walter E. Brown of Toledo, prominent Ohio progressive. In a conference of nearly an hour the senator and Mr. Brown discussed plans for the campaign and especially the part the progressives would take in it.

Mr. Brown was chairman of the Ohio state progressive committee in 1912, and in addition to being a delegate at the recent Chicago Republican convention, acted as the senator's floor manager. He is also a candidate, as is former Governor Willis, for the Republican senatorial nomination to succeed Senator Harding.

"Without exception the old Roosevelt leaders are supporting Senator Harding and Governor Coolidge," Mr. Brown told newspaper correspondents. "I might interject the remark that that is what Mr. Brown came to tell me about," said Senator Harding.

**Indorse Ticket at Private Dinner**  
Mr. Brown said he told the senator of a private dinner given in New York last Thursday and attended by prominent progressives, during which a resolution was adopted indorsing the Harding-Coolidge ticket.

Senator Harding, for the most part, spent another quiet, though busy, day. He again indorsed his example of yesterday in arriving at his office earlier than usual and devoted most of his time to the preparation of his speech of acceptance.

W. H. Hays, chairman of the Republican national committee, with T. Coleman Du Pont, committeeman from Delaware, were to arrive tomorrow to discuss plans for his nomination, but it was said tonight they might not reach Marion until Saturday. Mr. Du Pont is chairman of the sub-committee on the district attorney's investigation into the mysterious murder of the wealthy turfman and whist expert here last month.

**Charge of Trade  
Restraint Lodged  
Against Grocers**

[Republican A. P. Leased Wire]  
TOPEKA, Kan., July 8.—Receivers, fines and ouster from the state are asked in proceedings filed in the Kansas supreme court today against 38 wholesale grocery concerns. The proceedings are brought by Richard J. Hopkins, attorney general, under a restraining order issued by the supreme court immediately issued an order restraining the companies, officials and employees from removing or obliterating records or correspondence that might substantiate the charges made.

Technically the grocers are charged with entering a combination in restraint of trade. Mr. Hopkins charges that the alleged agreements and combinations were made through the Missouri-Kansas Wholesale Grocers' association, of which the defendants are alleged to be members.

The petition charges the defendants entered agreements not to sell below certain standard prices set by agreement and that these agreements have been carried out.

**MUST PAY STOCKHOLDERS**  
[Republican A. P. Leased Wire]  
LOUISVILLE, Ky., July 8.—Four officials of the Pelican Oil company—Charles E. Stoeker, J. E. Butterwick, George Montz and E. D. Moe—charged with defrauding stockholders of profits derived from sale of property in Kentucky, must pay approximately \$135,000 to the 200 other stockholders of the company under a decision made today by Judge Arthur Wallace in chancery court.

[Republican A. P. Leased Wire]  
BATON ROUGE, La., July 8.—All possibility of Louisiana enfranchising women was ended today through ratification of the federal suffrage amendment was removed tonight when the biennial session of the state legislature adjourned sine die.

The ratification resolution was defeated by both the house and senate early in the session, but the suffrage forces worked to bring up another resolution.

## OCCUPATION OF RUHR DISTRICT ALLIED THREAT

**German Conferees Warned  
Failure to Accept the Al-  
lies' Terms Will Result in  
Drastic Action — Private  
Negotiations Now Under  
Way**

[Republican A. P. Leased Wire]  
SPA, July 8.—The joint allied-German conference on the terms of the peace treaty reached another critical point today. The Germans have until noon tomorrow to say whether they will accept the Franco-British plan of disarmament. The alternative is contained in the specific threat that the allies will occupy the Ruhr or other territory if Germany cannot or does not accept.

The German cabinet, of which seven of the nine members are here, held a meeting, which continued from 5:15 o'clock this afternoon until eight. No decision was reached and the council adjourned until 9 o'clock tomorrow morning.

**Say Allies Overstep Treaty Provisions**  
The prevailing view among the Germans was that the allies had carried their demands past the limit of treaty provisions. They scored the demand of occupying further German territory, much beyond any provision of the Versailles treaty and also that the allies are taking up an aggressive position not contemplated by any clause of the treaty.

The allied disarmament note was communicated to Berlin early in the day by Chancellor Fehrenbach's request with the direction that it be submitted to the reichstag and to the leaders of all the parties, whether supporters of the government or the opposition. Herr Fehrenbach asked for the view of the reichstag and the party leaders, but said that the decision would rest with the cabinet now at Spa.

Private negotiations are reported to be going on tonight between Premiers Lloyd George and Millerand on the one hand and Dr. Simons of the German government on the other. The final decision of the allies sets forth that Germany must:

First: Immediately disarm certain of its forces, including the Security police.

Second: Publish a proclamation asking for the immediate surrender of all weapons and firearms in the hands of the civilian population.

Third: Abolish immediate compulsory service.

Fourth: Surrender to the allies all arms, guns and cannon above the limit fixed by the treaty of Versailles.

The allied decision concerning disarmament reads: "The German army is not reduced to 100,000, the allies will proceed to occupy German territory in the Ruhr or any other part of German territory and will not evacuate it until the conditions of the present agreement have been fulfilled."

## Elwell Pointers on How to Handle 'Desired' Women

[Republican A. P. Leased Wire]  
NEW YORK, July 8.—Search for a "hayrroll" said to have been kept by Joseph B. Elwell, today marked a new turn in the district attorney's investigation into the mysterious murder of the wealthy turfman and whist expert here last month.

Elwell, the turfman had been paying a woman \$50 and another \$400 a month is being investigated in the hope that more light may be shed on such disbursements.

Assistant District Attorney Talley related today some of Elwell's "tips on how to handle women," as told him, he said, by the horseman's trainer.

One of Elwell's tips, according to the story detailed to Talley, was to hold aloof from a woman he particularly admired. Then he would tell other women how much he liked her and how anxious he was to avoid her.

"This invariably brought the woman he wanted to the point of seeking him," Talley added.

**2 KILLED, 1 HURT AS  
TRAIN HITS WASHOUT**

TRINIDAD, Colo., July 8.—Fireman S. Holt of Trinidad and extra Fireman Sebastian were killed, and Engineer Frank Street of Trinidad was injured tonight when a Colorado and Southern freight struck a washout near Lynn, 10 miles north of here. Street's injuries are not serious. The train's locomotive and several passenger cars were derailed. Sebastian was buried under the wreck.

**TO VOTE ON CAPITAL REMOVAL**  
ATLANTA, Ga., July 8.—The Georgia senate today adopted a resolution providing for submission to voters of the state on September 8 of a proposal to move the capital from Atlanta to Milledgeville. The resolution now goes to the house.

## GOVERNOR RAPS STOCK GROWERS ON LAND LEASES

**Says State Lands Should Be  
Used for Best Interests of  
All the People—Full Rental  
Prices Should Be  
Charged, He Tells Joint  
Meeting**

[Republican A. P. Leased Wire]  
FLAGSTAFF, Ariz., July 8.—A resolution that committees be appointed by each association to try to secure better working conditions between livestock growers and the packers was adopted at the closing session today of the joint convention of the Arizona Cattle Growers' association and the Arizona Wool Growers' association.

Other resolutions adopted included: Oppose Freight Rate Increases. Favoring appointment of committees to appear before proper authorities and fight any further freight rate increases.

Condemning any policy of the state land department of Arizona not in accord with the broad principles of state land laws.

Condemning the Fort Valley, Ariz., experiment station as a useless extravagance and asking that the lands used revert to the state.

Agreeing that sheep moving from north to south and back will keep within driveways and cattlemen will not molest them.

Demanding isolation patterned after the pure food law, requiring content labels on all clothing or cloth sold as all wool, but which was part or all shoddy.

Opposing increased government grazing fees.

Demanding that reductions of the forest grazing area be compensated for by harvesting timber.

A resolution condemning the federal reserve banks for withholding loans to stockmen was defeated.

The resolution condemning the federal reserve system was lost after Woeber W. Smith, Flagstaff banker, told the convention that federal reserve banks withdrew loans, not to hamper stockmen, but to protect speculators who buy stock. He said the stockmen's remedy was to perfect a strong selling organization of their own and not sell, as they now do, most of their product to the speculators.

**Governor Scores Stockmen**  
During the closing hours of the convention members heard themselves strongly addressed by Governor Campbell. He scored the stockmen for trying to rent public lands at less than a proper rental. He said Arizona was leasing land more cheaply than other public land states. The lands are given up by the government for the maintenance of schools and other state institutions, he reminded the convention.

"My duty," the governor added, "is to see that the people get the best interests of the people at large and not for those of any one group of people."

"State land should be rented at exactly what it is worth. I would prefer that the land be sold and developed. I am interested most in men and women, not in cattle and sheep."

"No state can come into its own when its land is locked up in perpetuity for any one particular business. You are riding to a fall if you insist on leasing the land to the people for their own purposes."

The Arizona Wool Growers' association re-elected all its officers. The convention heard addresses by about a dozen Democratic aspirants to state offices and ended with a banquet to-night.

Members of the Sedalia committee, who have demanded Babier's resignation, will be asked to attend.

## LIMOUSINES TAKE MILLIONAIRE CREW TO JOBS ON SHIP

NEW YORK, July 8.—"The millionaire crew" which brought the Scandinavian-American liner Fredrick VII. here, two weeks ago rolled up to her Hoboken pier in taxicabs and limousines today, went back to stockholme and foreclosed and started back home with the vessel.

The crew, members of some of the oldest and wealthiest families in Denmark, enlisted for service during the Copenhagen harbor strike, and although the walkout ended shortly before the vessel sailed for America, they stuck to their jobs.

They asserted they enjoyed their two weeks' vacation, ashore, two going as far as San Francisco.
